Witte Thoughts for the Commission

Another great week in Lake Helen. November and December have a packed schedule of events to enjoy and I cannot wait! In November we focus on thanksgiving and to express our gratitude. I am so grateful for a wonderful Commission, advisory boards, staff and the best community and residents! Thank you for all you do and making this City – the "Gem of Florida."

"If you do things well, do them better. Be daring, be first, be different, be just."
